

DEEX Investor's personal cabinet using instructions

<https://presale-deex.exchange>

Step 1

DEEX personal cabinet is located by the following link - <https://presale-deex.exchange/signup/>

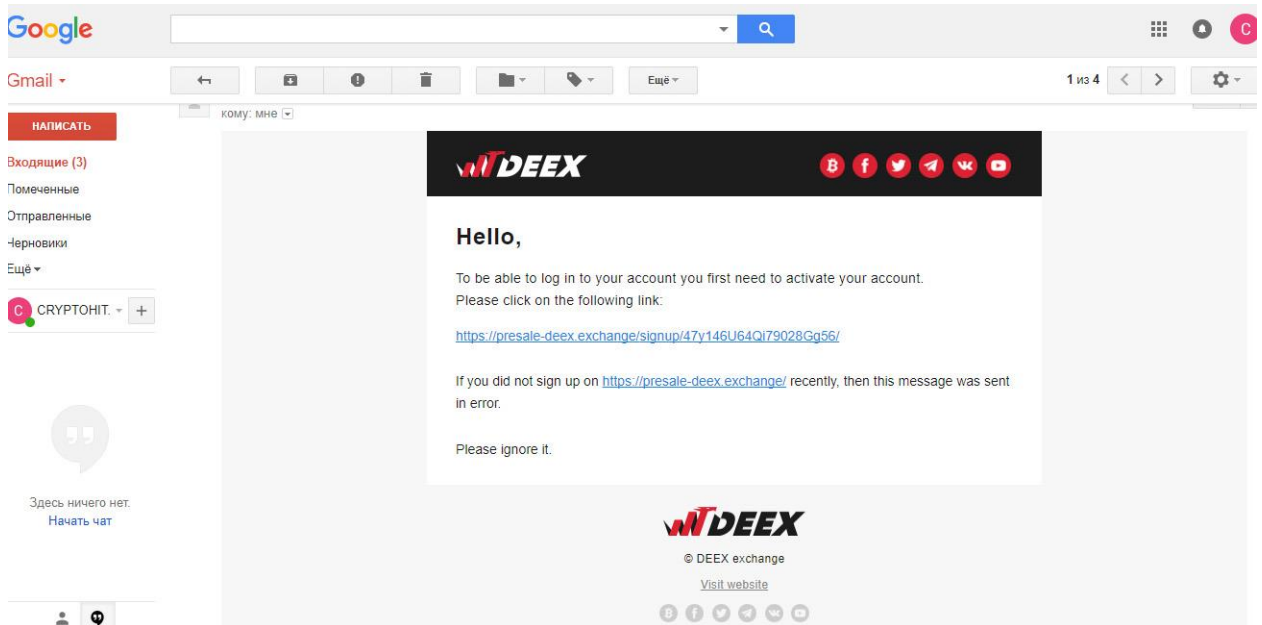

To register the DEEX personal account you need to enter your E-mail, password and the address of your Ethereum wallet.

A screenshot of the DEEX website's registration page. The page has a grey background with the DEEX logo on the left and right sides. At the top, there is a navigation menu with links for 'White paper', 'Roadmap', 'ICO', 'Bounty', 'Team', 'Partners', 'Contact us', 'EN', and a 'Sign in' button. The main content is a white box titled 'Create account' with a red underline. It contains four input fields: 'Your email' (with placeholder 'Enter your email'), 'Your password' (with placeholder 'Enter your password'), 'Repeat your password' (with placeholder 'Repeat your password'), and 'Your Ethereum wallet (recommended)' (with placeholder 'Your Ethereum wallet'). Below the fields is a red 'Sign up' button and a link 'or sign in here'.

It is also necessary to read and agree with the User agreement. After filling all necessary fields click the "Sign Up" button.

Step 2

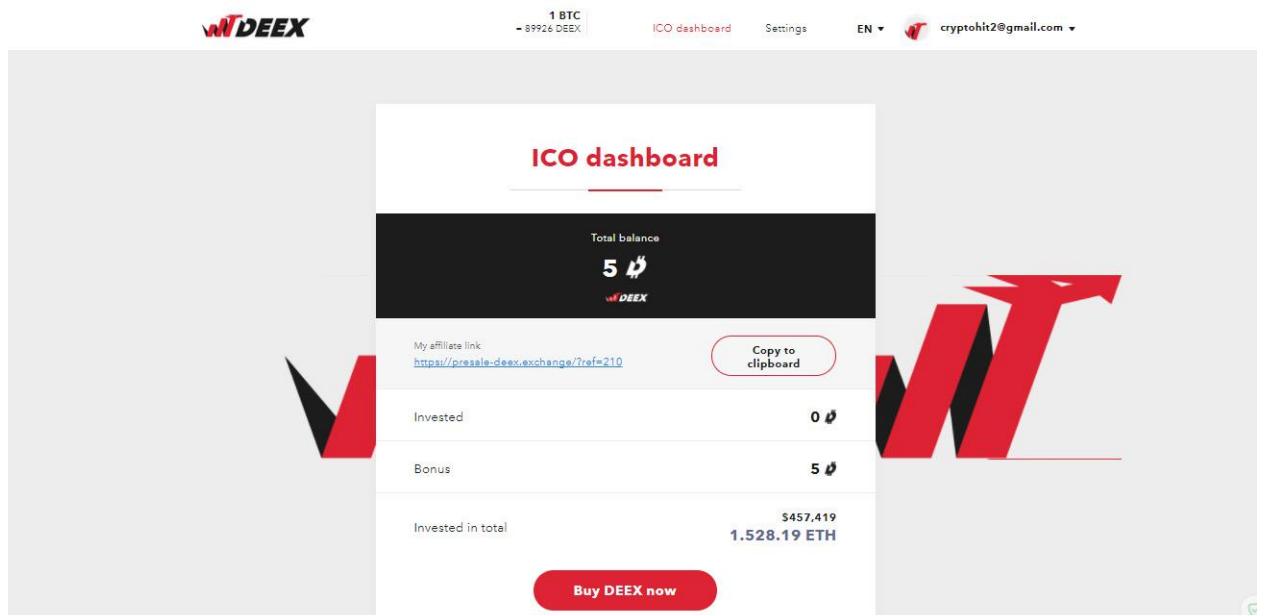

After entering the data you will receive an e-mail with the registration confirmation. This letter include a link which you need to follow to complete the registration.

Step 3

After you have confirmed your registration you will be able to open your personal DEEX investor account. Here you can see your balance with the bonus tokens for registration (5 DEEX), the number of Ethereum invested in the project, the total amount of investments and your referral link to attract new users. Each purchase of your referral will bring you the 5% revenue.

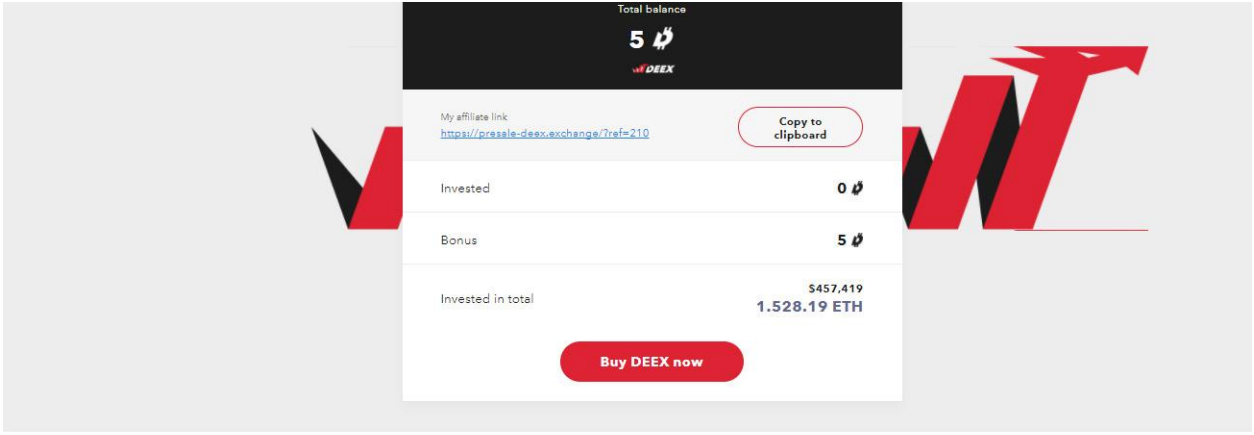

Note: Some investors have already bought tokens through a smart contract. When registering enter your Ethereum wallet adress which was used for tokens purchase through a smart contract. In this case the amount of money spent through the smart contract will also be displayed in the cabinet.

Step 4

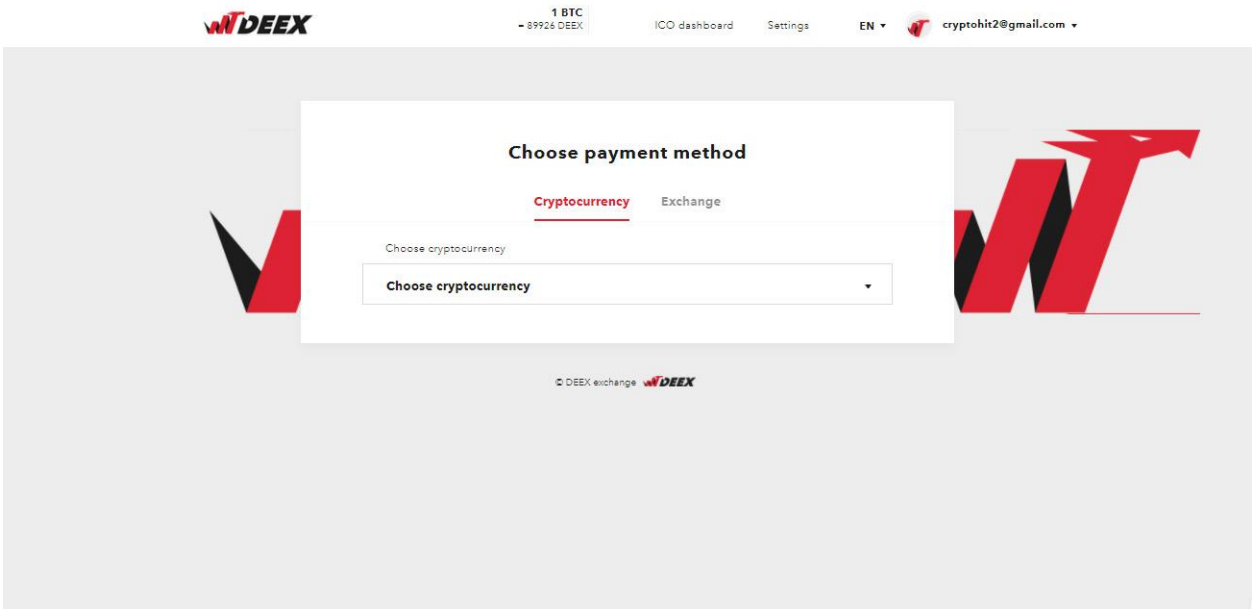

Replenishment of the DEEX wallet

- You can buy the DEEX tokens using many crypto currencies. Use the button «Buy DEEX now».

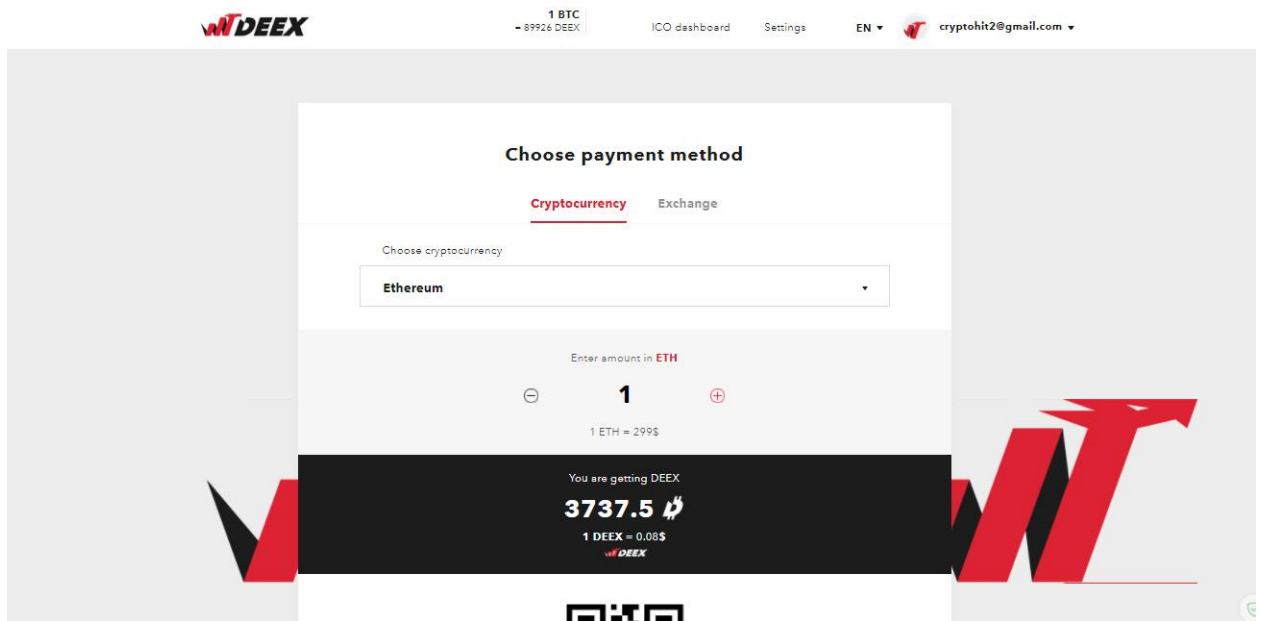

The screenshot displays the DEEX wallet dashboard. At the top, it shows a 'Total balance' of 5 DEEX tokens. Below this, there is a section for the user's affiliate link, which is <https://presale-deex.exchange/?ref=210>, with a 'Copy to clipboard' button. The dashboard also shows the user's investment status: 'Invested' (0 DEEX), 'Bonus' (5 DEEX), and 'Invested in total' (\$457,419 / 1.528.19 ETH). A prominent red button labeled 'Buy DEEX now' is located at the bottom of the dashboard. Below the dashboard, there is a 'Transaction history' section which currently shows 'No transactions'.

- You have to choose the desired cryptocurrency for transferring. Our system will generate your personal account where you can transfer the desired crypto currency and buy the DEEX tokens.

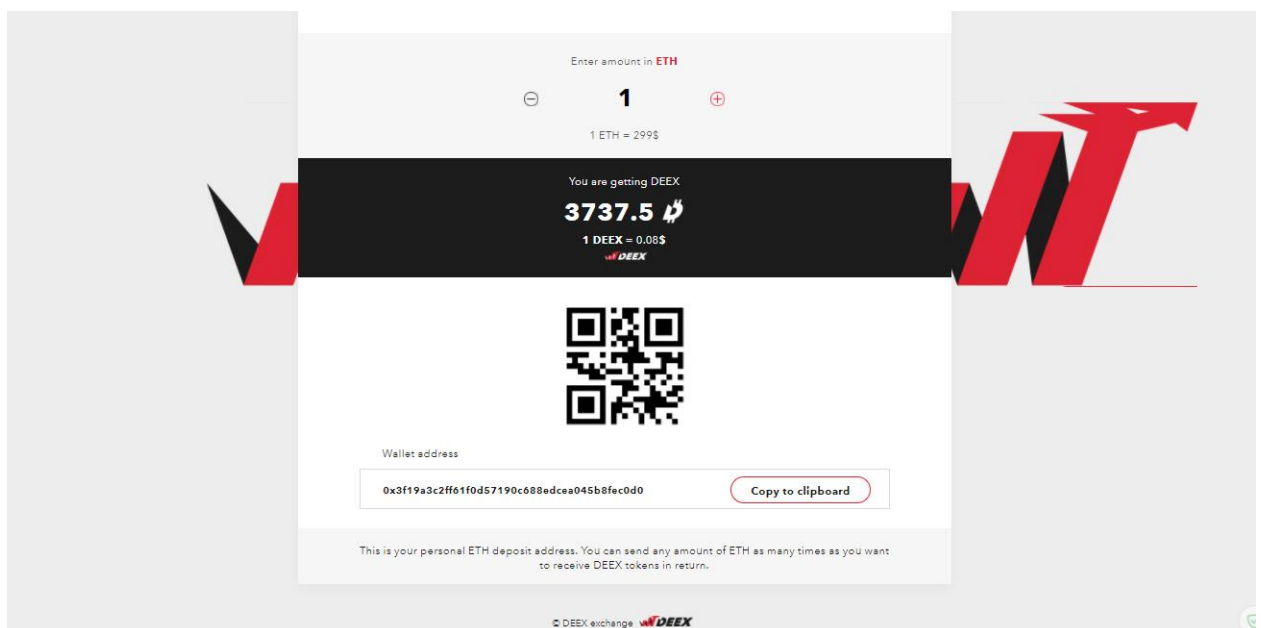

The screenshot shows the DEEX wallet dashboard with a 'Choose payment method' dialog box open. The dialog box has two tabs: 'Cryptocurrency' (selected) and 'Exchange'. Under the 'Cryptocurrency' tab, there is a dropdown menu labeled 'Choose cryptocurrency'. The background of the dashboard is visible, showing the DEEX logo, the user's balance (1 BTC / 89926 DEEX), and navigation links for 'ICO dashboard', 'Settings', and 'EN'. The user's email address 'cryptohit2@gmail.com' is also visible in the top right corner.

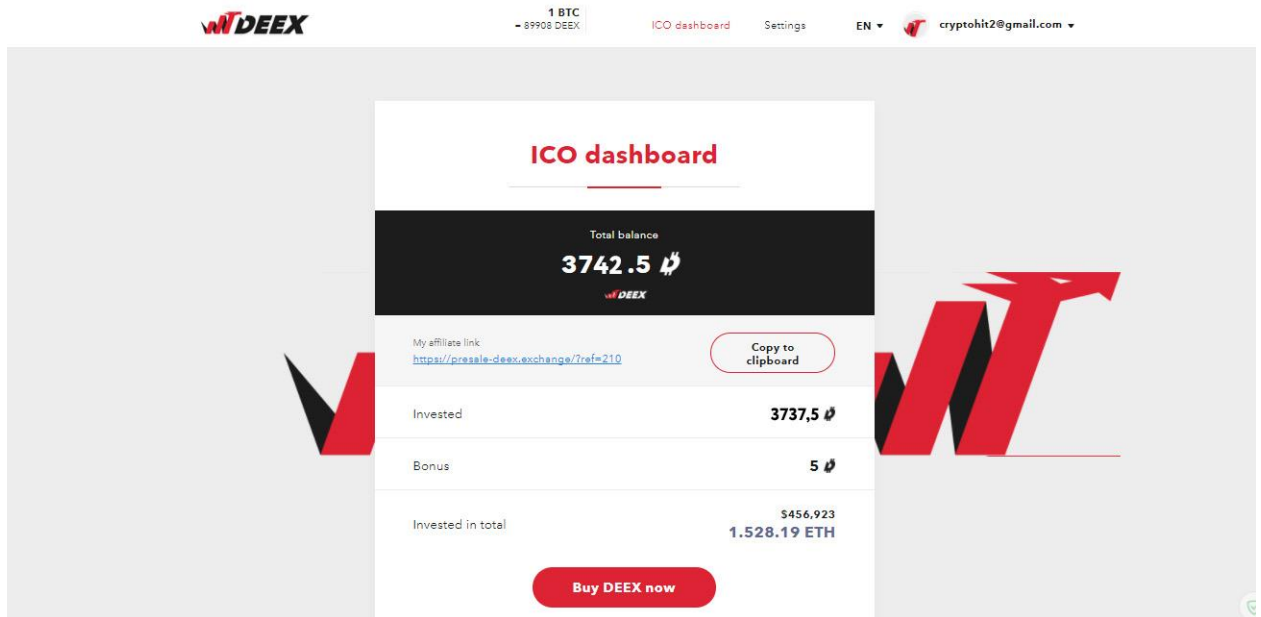

- Use the corresponding field to enter your cryptocurrency and the desired amount of coins for transferring. Our system will transfer this amount and shows you the number of DEEX tokens.

- You will see your personal wallet address which will use for transactions and DEEX tokens purchase.

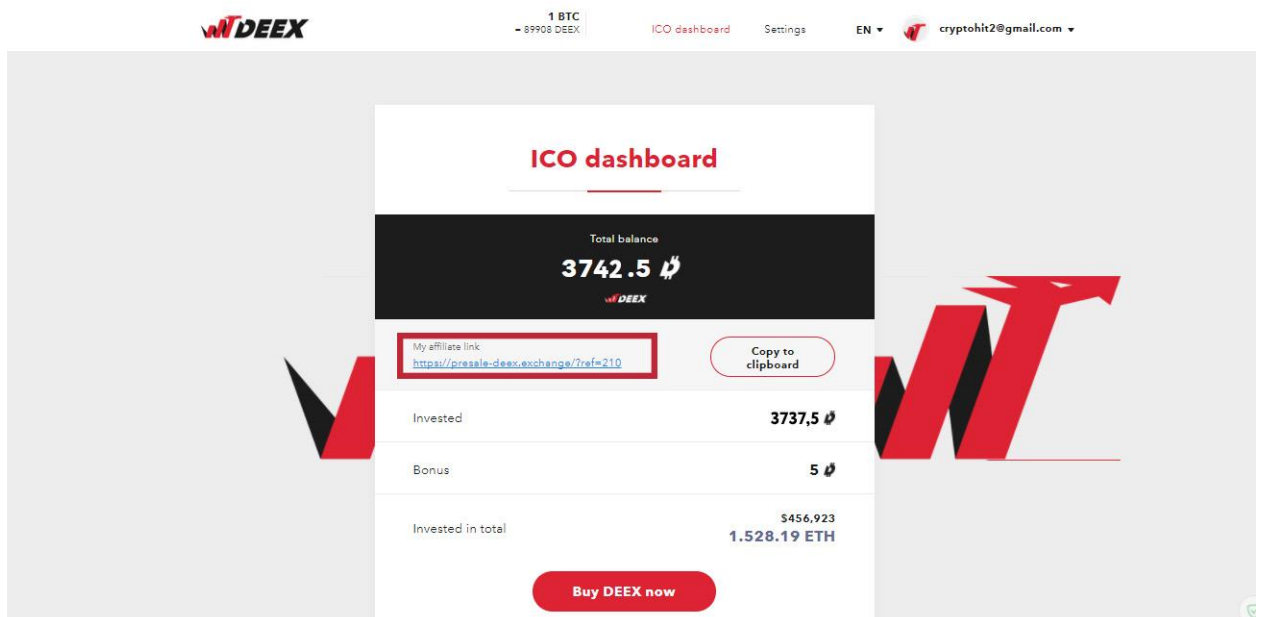

After the transaction complete you need to wait for 5-10 minutes (depending of the blockchain speed) for DEEX tokens appearance on your personal account:

This is the final stage of your account replenishment.

Refferal program:

On the <https://presale-deex.exchange> there is a referral program which you can also use to get DEEX bonus tokens. The refferal bonus is 5%. By clicking the "Copy link" button you automatically copy the referral link and can distribute it through any media resources. After registering via this referral program you will receive tokens from each transaction of your referrals.

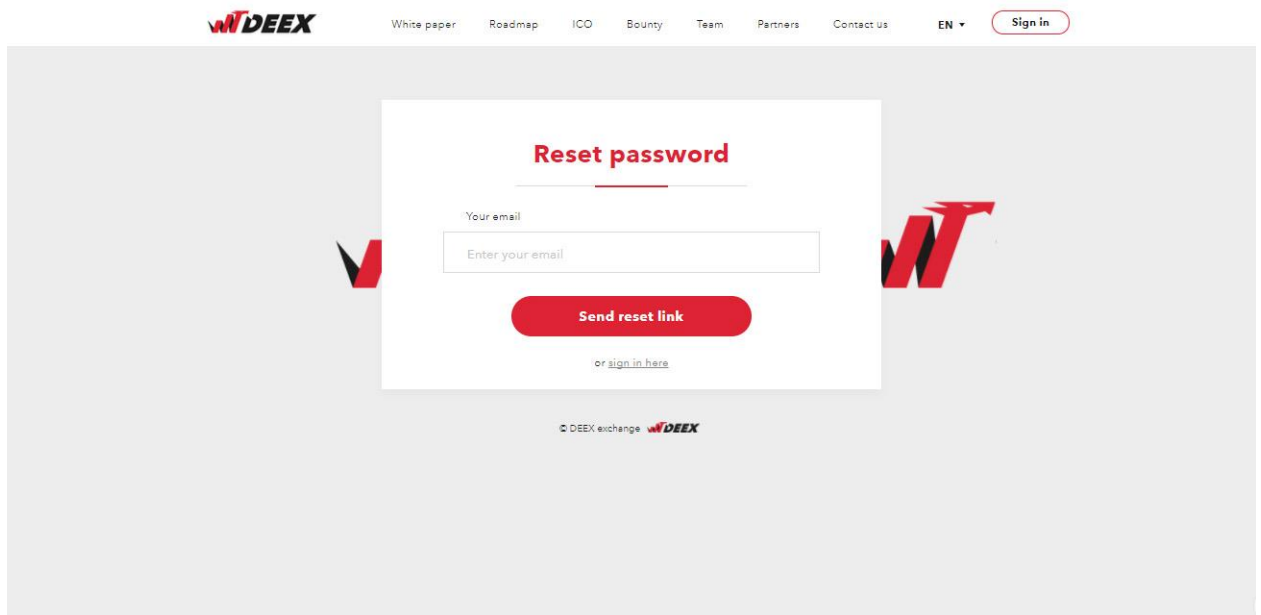

Password recovery:

If you forget your personal account's password you can easily recover it. Please, follow the instruction below.

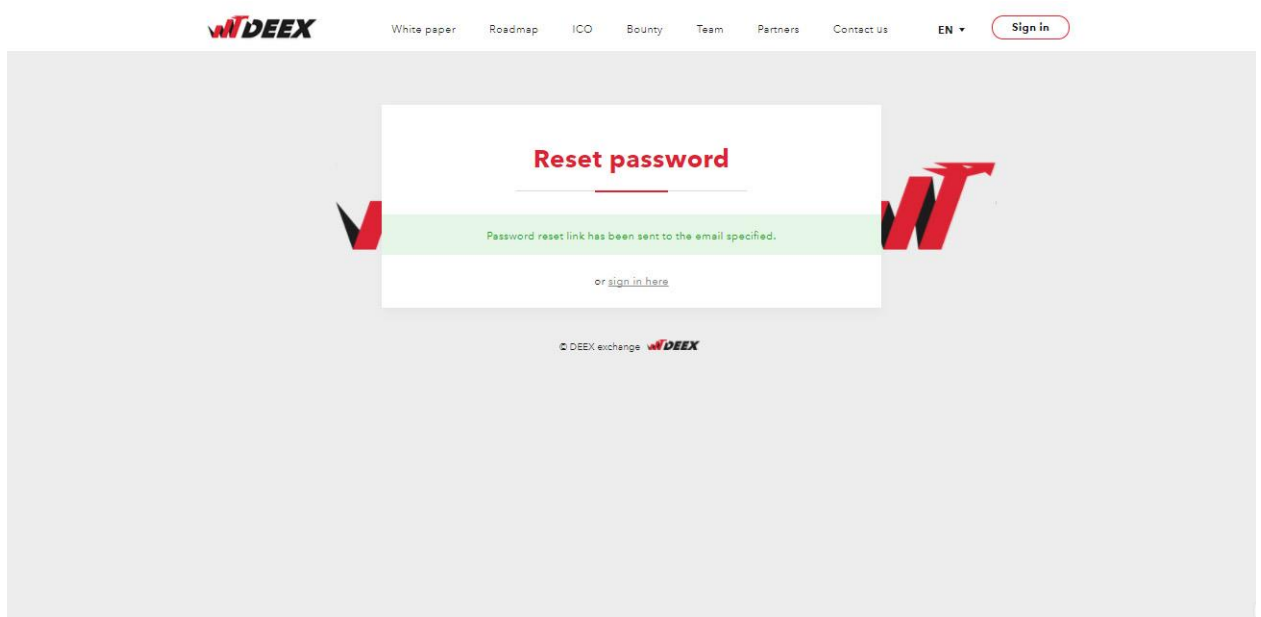

Step 1

Enter the e-mail which was used for the registration.

The screenshot shows the DEEX website's password reset interface. At the top, the DEEX logo is on the left, and navigation links for 'White paper', 'Roadmap', 'ICO', 'Bounty', 'Team', 'Partners', and 'Contact us' are in the center. On the right, there is a language selector 'EN' and a 'Sign in' button. The main content area features a white box with the heading 'Reset password'. Below the heading is a form with a label 'Your email' and an input field containing the placeholder text 'Enter your email'. A red button labeled 'Send reset link' is positioned below the input field. Underneath the button is a link that says 'or sign in here'. At the bottom of the white box, there is a copyright notice: '© DEEX exchange DEEX'.

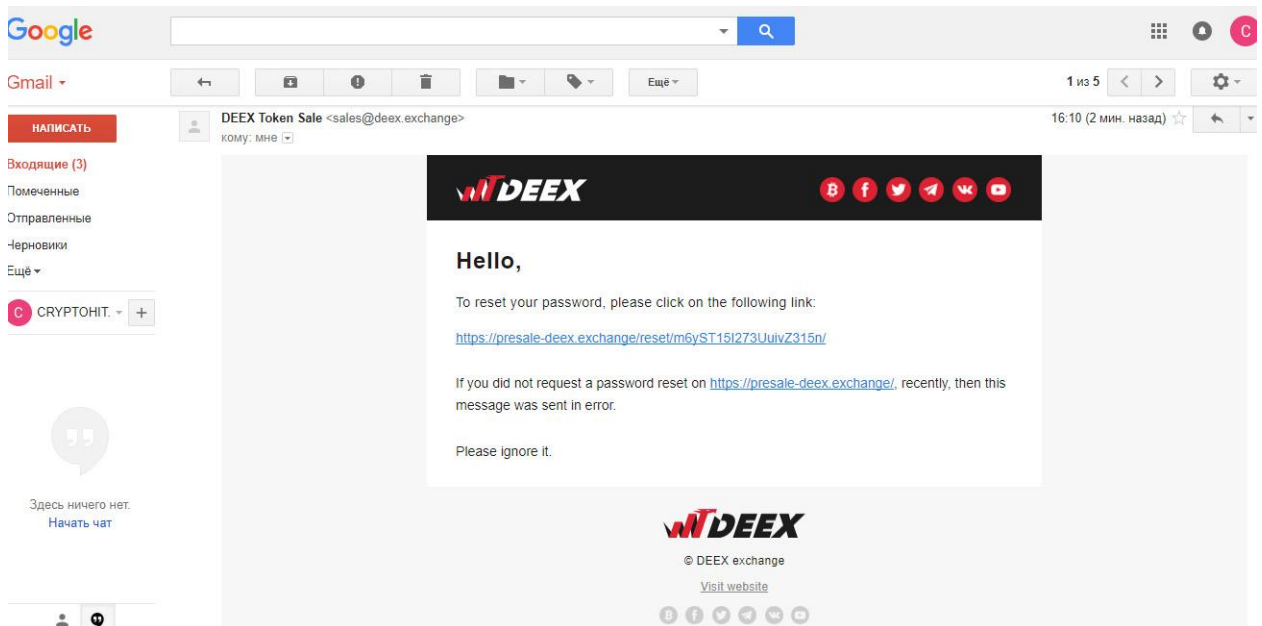

After entering it you will see the following message:

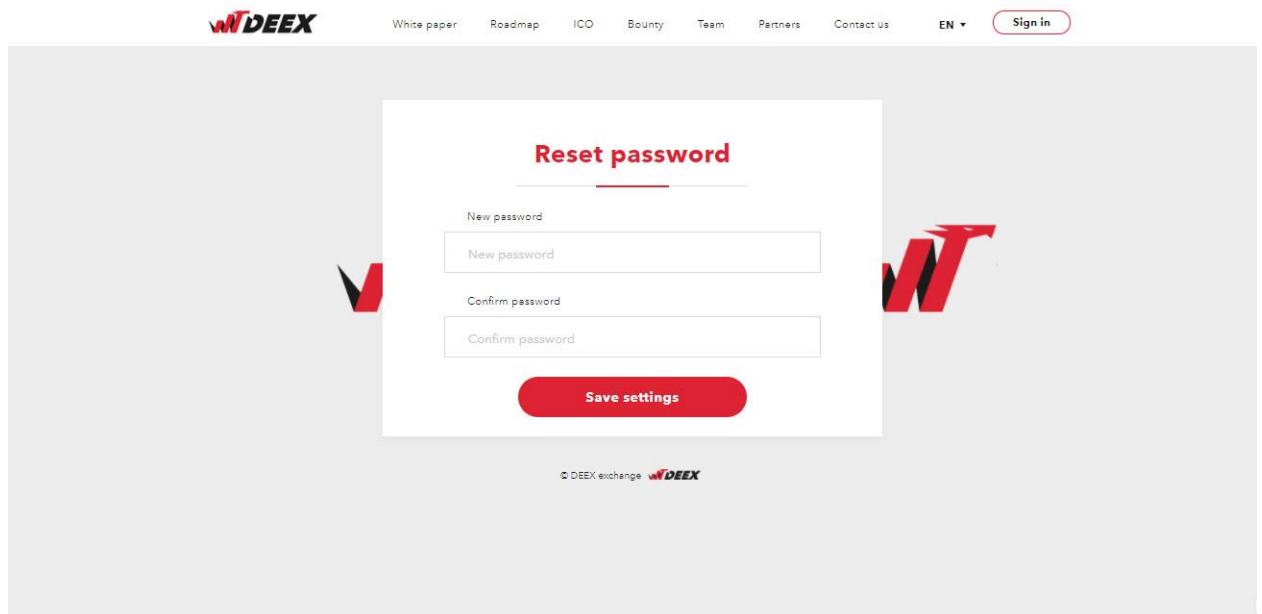

This screenshot shows the same DEEX website interface as the previous one, but with a success message. The 'Reset password' heading is still present. A green horizontal bar now spans the width of the form area, containing the text 'Password reset link has been sent to the email specified.' Below this message is the 'or sign in here' link. The copyright notice '© DEEX exchange DEEX' remains at the bottom of the white box.

Step 2

Please, open your mail and confirm your password recovery via the link within the e-mail from DEEX.

Step 3

You need to enter your new password twice using the corresponding fields. It is prohibited to use your old (previously used) password so you need to enter the new one. After this you will be able to enter your account with your new password.

Receiving tokens on your personal Ethereum wallet

DEEX personal cabinet is the simple version of the system used for investment in any cryptocurrency from any wallet, including the Exchanges wallets.

Receiving of the real blockchain tokens on your personal wallets with the private key will make not in online mode but after sale stops and DEEX cryptocurrency exchange will start working. The corresponding instruction with the description of tokens receiving will be published later.
